Dear Ilene:

781-861-6559 781-861-9846 FTY: 781-274-8539 On behalf of the Museum of Our National Heritage I want to thank you for being a part of the annual festival. We all thought the Corvairs were great. Your music could be heard throughout the festival and everyone seemed to be enjoying it. Your music helped create the atmosphere for the Route 66 festival. Several visitors and other presenters commented on how much they liked your performances. I hope you enjoyed being here as much as we enjoyed having you. We would love to have you back sometime in the future.
